<p>TBD, 2023 (Updated Apr 13th, 2023) \$4,934,199</p> <p>Centerville City Schools: 12 NCES #3904373 Teachers: 437 Montgomery County Students: 7895 Centerville, OH 45458 District Website (937)433-8841</p> <p>Phase 1: New construction of an indoor turf practice baseball and softball facility with batting cages, four baseball/softball locker rooms, meeting room, restrooms, and changing rooms.</p> <p>The district will launch a capital campaign in March 2023 to fund the project. The first phase has partnerships that could help the project secure \$3.5 million of its estimated \$4.93 million cost. The second phase would include new locker rooms, restrooms, showers, a weight room, and expansion of wrestling room space. Phase three would include indoor storage space for track and field. The total project cost for all three phases is estimated to total \$9,360,000.</p> <p>Source: Dayton Daily News: Centerville's athletic department to launch capital campaign for facility upgrades (February 6, 2023) Additional Source: Dayton 247 Now: Centerville School District fundraising for new athletic complex (April 7, 2023) Additional Source: Capital Fundraising Website</p>
<p>TBD, 2021 (Updated Apr 13th, 2023) \$14,500,000</p> <p>South Allegheny Sd Schools: 3 NCES #4221910 Teachers: 99 Allegheny County Students: 1451 Mc Keesport, PA 15133 District Website (412)675-3070</p> <p>New construction of South Allegheny Athletic Complex, synthetic turf field, grandstands, press box, lighting, ADA parking area/entrance, electronic scoreboard, and entrance building with ticketing, restrooms, concessions and covered plaza. Renovations to South Allegheny Elementary School including, foundation and wall repairs, cosmetic improvements,</p>

Read comments about the quality of service provided.

Excellent service, and even better products. Phenomenal lead time as well. Great company to work with.

– Drama Leopard

Fantastic shade products!

—KJ Installations

High quality, attractive

furniture. An excellent value!

—Robert Smith

The screenshot shows the SchoolNetwork Dashboard interface. On the left is a map of Florida with a pop-up for Broward County: CONTROL PROFESSIONAL DESIGN SERVICES FOR WESTERN HIGH SCHOOL, Schools: 331, Teachers: 13737, Students: 260235, District Website. On the right is a 'Search Results' table with 1134 RFPs. The table has columns for Project, Title, District, State, and Due date. The highlighted row is: FL_Broward_PROFESSIONAL DESIGN SERVICES FOR WESTERN HIGH SCHOOL, Broward, FL, May 04, 2023.

Receive direct access to more than 1,000 requests for proposals.

Save time and effort by borrowing from documents created for other procurement or bonding efforts. View the actual Requests for Proposal (RFP) and Requests for Quotation (RFQ) used by other school districts. See the materials used to promote their projects.
